RADIO

There is a satisfaction of having a Radio that gives a perfect service, pleases and continues to please.

G. W. French, Son & Co., Inc., are now recognized as the real Radio Service Station and the sales headquarters for the Ionia district.

We did not take the agency for the first Radio that was put on the market, nor the second, nor the third instrument, but after a most careful investigation of the many makes offered for sale, we personally tested out many and many Radio sets, and selected those made by established, recognized makers to offer our patrons.

We are now exclusive representative of the reliable Radio sets from reliable makers, who stand back of their product, and we have confidence in these recognized makers, and have pleased our many patrons.

It's much better to buy the latest improved Radio Sets, made by firms of National reputation who give a real service and pleasure to our patrons.

May we submit for your approval and selection RADIO SETS that please, satisfy and produce

$145.00 and up

RADIO TROUBLE SHOOTER

For those having other makes, who are having trouble, don't know just what to do, call us for MR. GEORGE E. ERHART, Radio Expert, who knows how and what to do to get you a perfect service.
