Jan Powell presented Kathy Boroff with a special grant-in-aid to attend Western Michigan University and pursue a career in education. The Delta Gamma Kappa, a society for women educators, sponsors the award each year to a female graduate studying to be a teacher.

## Boroff receives award from Delta Kappa Gamma

IONIA — Kathy Boroff, daughter of Bruce and Kay Boroff, is the recipient of the Delta Kappa Gamma grant-in-aid for the year 1989.

Boroff, active during high school in the Ionia Spanish Club, plans to attend Western Michigan University, majoring in elementary education.

During high school, she was one of a group who taught Spanish to elementary students, was a teacher's aide and was a member of the SADD Club. Boroff is a member of the First Baptist Church and has served the Youth Fellowship as president.

This summer, she will be a counselor at the children's camp. She has also worked with children in Vacation Bible School.

Delta Kappa Gamma is an international organization of women educators. Founded in 1929, the society has several purposes: to

form a spiritual fellowship among women educators, to honor women who have given distinctive service to education, to advance the professional interest of education, to endow scholarships for graduate study and to stimulate professional growth in education.

Financed by club projects and the generosity of the founder of the local chapter, Lois VanDenBerg, now of Kalamazoo, Alpha Upsilon has been enabled for several years to present a grant-in-aid to an Ionia County graduate who is planning to become a teacher.

Officers of Alpha Upsilon for the coming year are Peg Christopher, president; Arlene Stien, vice-president; Barbara Johnson, second vice-president; Virginia Click, recording secretary; Virginia Christensen, corresponding secretary; Zella Bailey, treasurer; June Faulkner, immediate past-president; and Janet Powell, parliamentarian.
