### Brought Unsolicited Testimonials

Now folks, all know James "Jimmy" Taylor, who for a time made this city his home, and whose work in the Y. M. C. A. overseas brought him the gratitude of thousands of American soldier boys whom he helped....

"Jimmy" Taylor's work in the world War, his fidelity to duty and long hours spent without rest worked havoc with his eyesight, which for years had not been the best.

"Jimmy" Taylor came to us in 1922 for relief and he found it. But better let him tell the story in his own language. He writes:

February 22nd, 1922

G. W. French, Esq., Optometrist,  
Ionia, Mich.

My Dear Mr. French: For many years I had suffered from pains in my head, and had tried many things to help, but the glasses you fitted for me made a wonderful change in this, and the more I have worn them the better I have liked them, and today they just meet my needs as they did the day you fitted them for me.

The careful and painstaking way that you fitted them has been one of the causes that has contributed to the splendid effect they have had... I need not say that if I am needing such service again that I would not think it too much to cross the continent to get the service that has been so much to me.

Wishing you all the success that I feel will come to you as the result of not simply doing business, but rendering real service,

I am, dear Mr. French,

Yours very cordially and gratefully,

JAMES TAYLOR,  
Executive Secretary Army Y. M. C. A.
