## Compiler's Preface

The information recorded in this book should always be verified by other sources. Burial records and stone readings have been known to be incorrect. Spelling and dates should always be referenced with other sources.

There are many unmarked graves in these cemeteries. By using other sources (listed on the next page) we have included these names we did not find headstones for. These are recorded in the "stone number column" in each cemetery listing, with the initials, "ns", meaning "No Stone".

Out of respect for the living's privacy, we did not include birth dates under 100 years old if no death date is listed or no additional information could be found.

Example: Jane Doe born Sept 12, 1914, died "blank". Her birth date will NOT be listed.

At the end of each cemetery listing is a "Note:" section.

**Any mistakes in this publication are not intentional.**

We would like to take a moment to say **Thank You!** to the many people who have helped us compile these pages. Also to the Townships and Associations who have allowed us to use their records. Without the help of all, this book would not be possible.

# Union Society Cemetery AKA Wilcox or Frye

## Union Society Cemetery, AKA Wilcox &/or Frye

The Union Society Cemetery is located in Section 1, on Pixley Rd, east of S. Grosvenor Hwy, surrounded by 6 feet tall lilac bushes. A small entrance in the center of the hedges opens up to a well kept burial ground, canopied with mature Hackberry Trees.

entrance in the center of the hedges opens up to a well kept burial ground, canopied with mature Hackberry Trees.

This burial ground has also been called by the locals, Wilcox Cemetery. In reference to Isaac Wilcox who was the trustee of the Union Society when the cemetery was deeded in 1839. (Reference Lib. K: 313 in the Lenawee County

Old Court House Register of Deeds)

Another name well know to locals is Frye Cemetery, this name came about while Mr. Frye, a local resident, was the sexton and care taker for many years.

The oldest date readable would be that of Lindon Burr, Sept 15, 1836, 3 months and 20 days old.

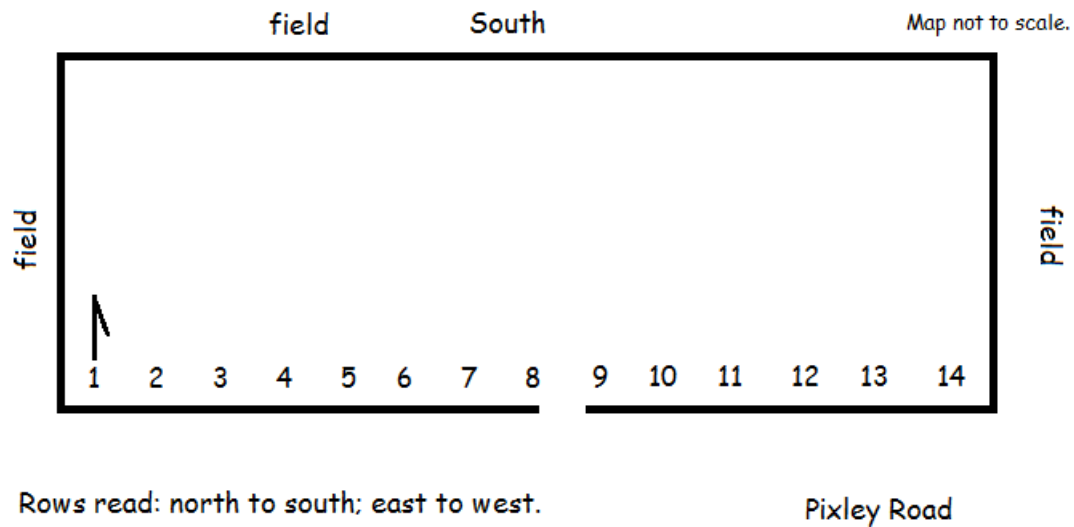

The most current date readable would be Richard Cousino, June 28, 1936.

Two Civil War Solders are interred here: Hiram Miller & Lucius Alexander.

The cemetery is now being maintained by Palmyra Township.

# Union Society Cemetery Site Map

In this cemetery it was very difficult to distinguish between a foot stone and a head stone, so every stone is numbered/recorded.

# Clark Burial AKA Lehman Burial

## Clark Burial, aka Lehman

This small family burial is located in Section 8, close to the intersection of S. Wilmoth & Deerfield Hwy, west of Lenawee Junction. Nothing remains of this burial/cemetery. The exact location of the site is not known.

Harriet Cole Bowen recorded this in the 1930's:

Quote: "In the extreme northeast corner of Sec. 8, Palmyra, on a farm now owned by Henry Lehman, was a corner devoted to a few family burials. The stones were buried by Mr. Lehman, although reservation of the plot was stated in the deeds given by successive owners, and is so reserved in Mr. Lehman's deed. Only one burial is known as this stone was the only one examined by the parties concerned:

Clark, Walter F., d. Mar. 14, 1847 ae 31y 3, 12d

There were stone inscriptions of children but not recorded.

A Walter F. Clark was among the first settlers of Palmyra." Unquote.

# Palmyra Village Cemetery

## Palmyra Village Cemetery

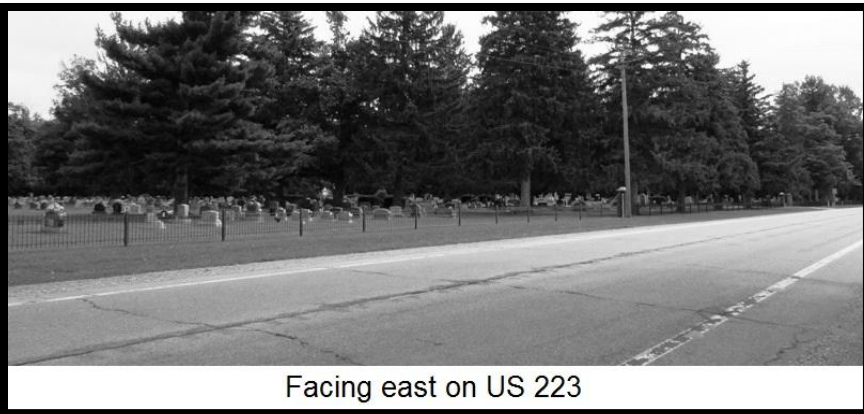

This cemetery is located on north side of US 223, a quarter of a mile west of the fire department, in section 21.

Over the past 145 years many parts and partials have come together to create this 12.87 acres cemetery. Black wrought iron fence with brick pillars face US 223. Majestic old pines canopy the older sections while rolling green lawns grace the new. Flanked on the north by the River Raisin and on the west by cultivated fields. This cemetery is a peaceful, beautifully kept burial ground.

Facing west on US 223

Quote from Harriet Cole Bowen: "In 1866 a committee was appointed by the Town Board, consisting of Volney Spaulding, Henry Furbeck and one other, to look into the matter of procuring a new location for a cemetery. They reported in 1869 that this present site be purchased and the town bought three acres of Mr. Peter Davidson as recommended by the committee."

Facing east on US 223

This cemetery is still active and operated by the Palmyra Township Board.

# Crane Cemetery AKA Friends Cemetery

## Crane Cemetery aka Friends Cemetery

This cemetery is located in the south east corn of the intersection of US 223 and Ogden Hwy, in section 18.

A grassy knoll and row of mature oak trees stand between this cemetery and US 223. The driveway is long and located off of Ogden Hwy.

On Ogden Hwy facing east. Drive is to the left of this picture.

The name "Friends Cemetery" came from the Palmyra Friends' Society which was organized in 1835 by the local Quakers, under the leadership of George Crane. The property once held their church, long since removed. In 1913 the Crane Cemetery Association purchased this land for \$25.00. This Association turned the property over to Palmyra Township.

The cemetery is still active. Although no new burials will be allowed in the old section.

The older portion of the cemetery is located up a small bluff in the back. The newest burials are in the front lower level.

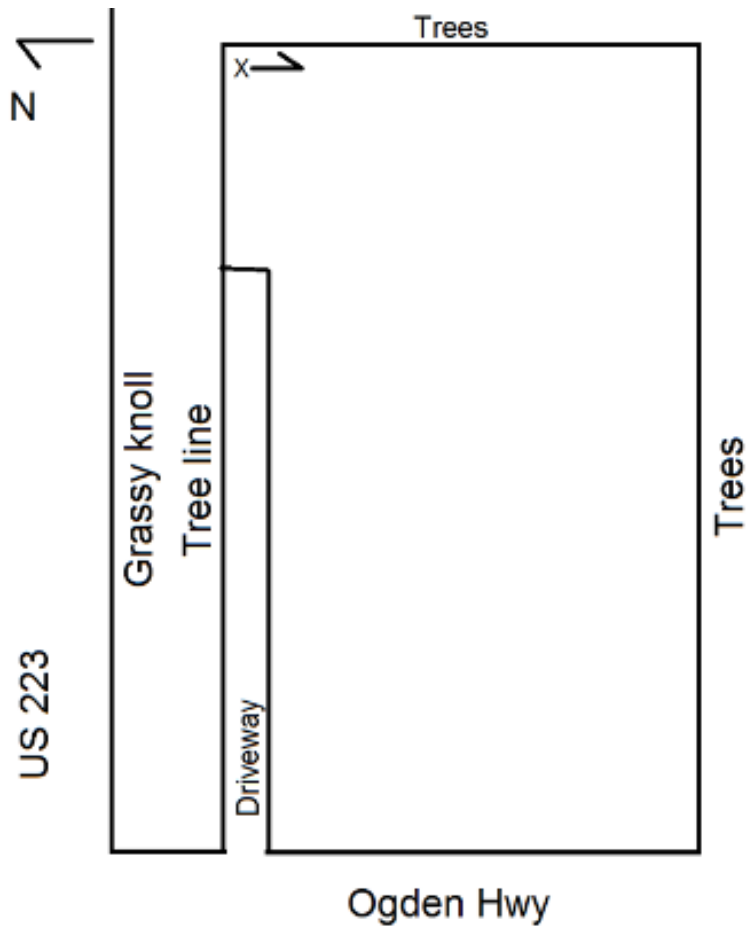

There is a large stone monument in the old section that is worth noting. It lists information about George Crane, the original owner of this land. See the "Notes" section at the end of the cemetery listing for a full transcription.

# Crane Cemetery Site Map

Rows are read from north to south, east to west.

Map is **not** to scale, a general layout.

Tree line is a line of mature oak and maple trees.

Notes:

Rows 1 - 4: In these rows are many sand stone square fence posts in line with the head stones, these are not head stones or grave markers. We are not sure who moved them to these locations. We did not record them as markers.

Row 5: Hoag, David S & Phoebe: Harriet Cole Bowen notes: In the row of graves between the lots of Thomas Underwood and William B Freeman families, is a small stone marker, D.S.H. It is personal knowledge that David S Hoag and dau, Phoebe Ann are buried in this cemetery, the daughter passing while living on my father's farm. [H.C.B.] There is ample space for these burials here and the wife may be with them, as they once lived near this location. Recorded proof can be offered that Hoag, David S. was b. Vt., and was residing in Palmyra Twp., Dec 1, 1881, aged 88 yrs. He was still living, May 14, 1887.

Phoebe Ann, his dau d. abt 1878 on the farm of Miner T Cole, ae 60 yrs.

A Court House Rec., A:22 may give the wife's name: Elizabeth A., dau David S & HELEN M., d. in Rollin, June 15, 1869 ae 7m 5d.

# District School Cemetery, #7 AKA Underwood Cemetery

## District School Cemetery, #7 aka Underwood Cemetery

Located in section #18, on the northeast corner of Ogden Hwy & Carlton Rd. The school house is now being used as a church and is still active. The cemetery is maintained by the Township Board and is no longer allowing burials.

The following description (in part) was written by Harriet Cole Bowen:  
"The land upon which both the cemetery and school house are situated

was given for these purposes by the Benevolence of HORACE WHITMARSH who owned the land at the time, and as the first stone records of burials are 1835, permission must have been granted at an early day. His farm and surrounding land was later

owned by the Underwoods, hence the popular name."  
She includes that the cemetery was "free-will offering", so no records were kept of plot purchases. Harriet also notes that many of the people buried in this cemetery lived in Ogden Township.

Many of the stones in this cemetery are eroded, falling apart and not readable, we used many sources as noted in the listings.

The oldest readable stone is: Lydia Paull d. Sept 8, 1835

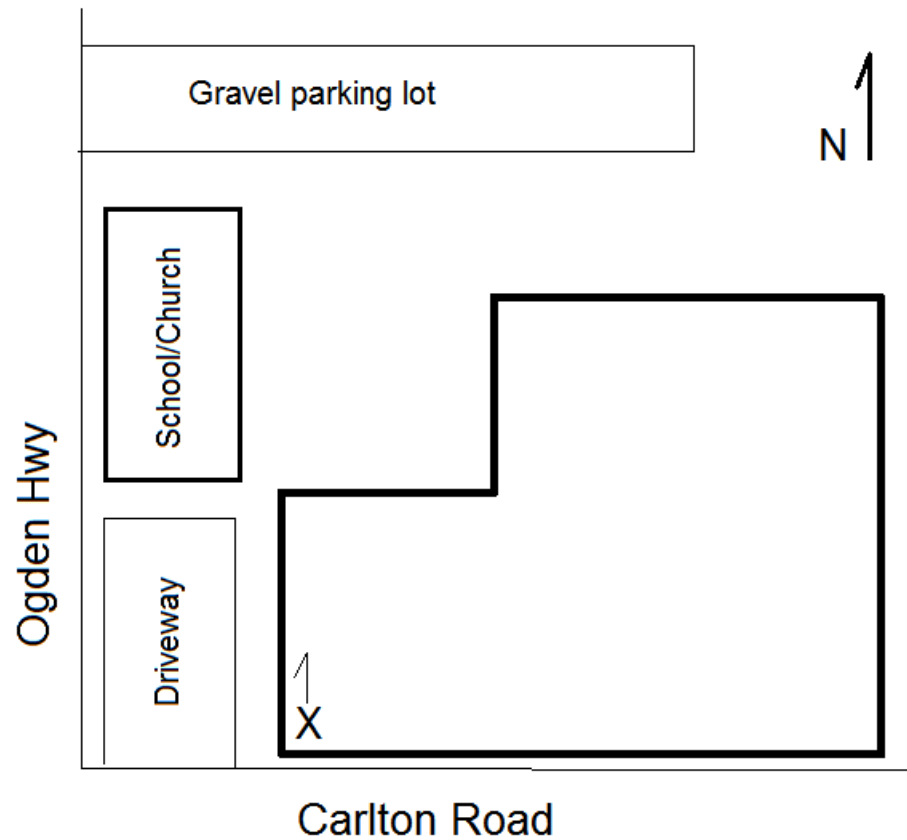

The newest readable stone is: Carol Ennis d. March 26, 1999

There are two known Civil War Veterans interred here:  
James Toms & Loyal Willett

# Old Palmyra Village Cemetery

## **Old Palmyra Village Cemetery**

This cemetery was located in section 22, on the south side of US 223, about a quarter of a mile east of Palmyra Fire Dept. It is the belief of many locals, that this cemetery was moved, in its entirety, to different cemeteries. Many burials went to the Palmyra Township Cemetery.

There are no records located at Palmyra Township office or the Register of Deeds for this cemetery. It is not listed in the official list of cemeteries for Lenawee County. The only official document listing this plot of land as a cemetery, is the original 1836 Surveyors plans for Palmyra (pictured on the next page) which conflicts with the current belief of where the cemetery used to be.

In 1923 Harriet Cole Bowen read 13 headstone, as of this reading (Sept 2013) there was only 1 headstone located in this plot. It was proven beyond a doubt to us, that this location no longer holds any burials. Please respect the privacy of the current land owner.

# Scovell Cemetery

## **Scovell Cemetery**

This cemetery was located in section 27, on the west side of Crockett Hwy, near the old Fayette Branch of the New York Central Railroad on the east bank of the River Raisin.

This cemetery has not been seen in over 130 years.

Harriet Cole Bowen documented a conversation she had with a local lady, Clara Ranger Clark. Quoted, in part: "Mrs. Clark could give but few dates of deaths, but she knew the names of people interred there. She was brought up in the neighborhood and her Gibbs relation settled farther down the river shortly after 1825. The bridge at this point is still known as "Gibbs Bridge". Sarah Ann Gibbs lived to a great age and is buried at the Village."
